DREAM BIG

- At **SVPIAS**, group discussions are conducted by like minded students, which further helps in the preparations
- Under the guidance of the Expert faculties, students will be guided throughout their exam preparations
- To pursue this course, students often travel to Pune/New Delhi and spend over Rs. 5 lakhs on coaching, lodging, and other expenses, which is challenging for those from economically weak backgrounds. Now, the best training is available in your District
- Start your preparation simultaneously while pursuing your degree
- Appear for this examination immediately after completing your degree and get into Government Service
- Paid seats at very concessional fees to bear cost of coaching like rent, lecturer's fees, fixed & variable costs
