

**SHIV VIDYA PRABODHINI'S**  
**BALASAHEB THACKERAY IAS ACADEMY**

We are pleased to introduce *Shiv Vidya Prabodhini's* **BALASAHEB THACKERAY IAS ACADEMY** 'S UPSC Civil Services Prelims cum Mains guidance program.

So far, we have been felicitating students who had cleared the UPSC exams, besides we also provided free of cost accommodation for IAS aspirants coming to Mumbai from rural Maharashtra. Which is when we envisioned the need and laid the foundation of our organisation with an aim of utilising the young talent towards building a ***Strong Bureaucracy***.

The main purpose is to groom the students from Maharashtra for competitive examinations, mainly UPSC civil service examinations ( IAS, IPS, IFS, IRS etc.). It has been observed that the students from Maharashtra do not fare well because of lack of culture and awareness required for getting success in these examination.

We propose to arrange mock test for undergraduates and graduate students to get them acquainted with the syllabus, exam pattern, basic eligibility criteria and select 1000 graduates students purely on merit. These 1000 students will be eligible to get scholarship which will provide guidance and full support , ***FREE OF COST*** for one complete academic year and further support till the student gets selected in one of the government officers job.

Aspiring students can fill Online Application form from 19th June 2022 to 20th July 2022 by paying 300/- as fees for the entrance exam.

Students are required to visit : [www.svpias.com](http://www.svpias.com) for Online Application.

We do, hereby, request you to guide and help us to reach the maximum students within your Vicinity/ Classes/ Esteemed college.

- ONE YEAR INTEGRATED COURSE FOR GRADUATES.
